

Current Employment Opportunities **Monday, April 24, 2017**

New Gold is an intermediate gold mining company. The company has a portfolio of four producing assets and three significant development projects. The New Afton Mine in Canada, the Cerro San Pedro Mine in Mexico, the Mesquite Mine in the United States and the Peak Mines in Australia provide the company with its production base and solid foundation. In addition, New Gold owns 100% of the Blackwater project and 100% of the Rainy River project, both in Canada, as well as a 4% gold stream on the El Morro project located in Chile.

New Gold's objective is to continue to establish itself as a leading intermediate producer, focused on the environment, sustainability and generating peer-leading shareholder returns.

Our Values drive every decision and action we take at New Gold:

Integrity: Do what's right

Creativity: Lead with innovation

Commitment: Deliver

Develop our Employees: Commitment to personal development

Teamwork: Leverage our collective skills
